No offensive yelling, cursing or screaming, or fighting is permitted on open space or common areas of Buckhorn Ranch at any time. Noise levels shall not disturb others, including neighbors' quiet enjoyment at any time. The Association shall use its best efforts to ensure that reasonable noise levels are maintained within Buckhorn Ranch.

23. Violations. An Owner shall be notified of any violation of these Rules and Regulations by written notice thereof, either delivered personally or transmitted by electronic or postal service means. Said notice shall provide such person with 24 hours to cure the violation if practicable, or as soon as practicable thereafter if cure or resolution within such 24 hour period is not possible. Action taken by the Association to enforce these Rules and Regulations may subject the Owner to fines and additional costs the Association incurs to cure the violation, including but not limited to attorneys' fees and costs. The imposition of fines shall be subject to the Association's policy thereon.

Each Owner shall indemnify, defend, and hold harmless the Association and other Owners from and against any and all losses resulting from the violation of any of these Rules and Regulations caused by such Owner or Owner's family, guest, invitee, renter or occupant of the Owner's lot or unit.

In the case a homeowner takes issue with another homeowner for violation of a Rule or Regulation, the first step is to engage that homeowner directly.
